This is a policy to cover physical loss or damage to your Touring Caravan, contents, equipment, awnings, pup tents and personal effects as well as expenses incurred for alternative accommodation. In addition this policy covers you for injuries suffered by you or your pet whilst you are on holiday with your caravan and your legal liability for causing injury to a third party from you using or owning your caravan. Further cover is provided for expenses incurred following the driver being injured. In addition, your no-claims discount can be protected.

Are there any restrictions on cover?

- ! It is your responsibility to keep your unit in a good condition and roadworthy and only to use a towing vehicle that is capable of pulling the unit safely
- ! It's really important that you don't throw away any damaged items until we say so.
- ! Insurers will not reimburse you in relation to any damage or loss resulting from criminal acts, wear & tear, poor maintenance, negligence or fraud
- ! Insurers won't pay claims that wouldn't have been made if you'd dealt with existing problems to your property. Your policy is designed to only cover you for things that you couldn't have reasonably prevented

Where am I covered?

In the United Kingdom and Europe. However Europe is only included if you have bought that cover

What are my obligations?

- You must provide us with honest, accurate and complete information, and inform us without delay of any changes in your situation. In the event of a claim, you must notify us as soon as possible.
- You must follow the claims procedure and let us negotiate, defend or settle any disputes or claims on your behalf. You'll also need to let us take legal action in your name to get back any payment we've made under this policy.
- It's really important that you're honest with us when you're buying a policy or making a claim. Providing wrong or misleading information that you know could either help you gain financially, or us suffer a financial loss, is fraud and pushes up the cost of insurance for all customers.
- In some cases, the insurer may apply an endorsement to the policy that, for example, sets out security requirements. It's really important that you follow any terms set out in endorsements, as if you don't, you may not be covered in the event of a claim. If any endorsements apply to you, these will be explained to you (or displayed on-line) before you buy, and will also be shown on the evidence of insurance you receive after you buy.
